

November 15, 2011

Dear Parents and Grandparents:

4th Grade is going to celebrate Fathers' Day on December 2, 2011. Why December 2nd? Well, honestly, it is a very difficult time of year for me. My father passed away very unexpectedly December 5, 2005. In 2006, I chose to stay with my family on December 5th. In 2007, I decided I wanted to be here with my "other family." Thus, it is now an annual tradition. What better way to remember my dad than to honor all dads. We are not in school on the real Fathers' Day, so I thought we would create our own day.

Please mark your calendars! Dads and Grandpas (or other significant males) are invited to join us Friday, December 2nd at 2:30pm for our celebration. Snacks will be served. (Of course Moms and Grandmas can come too!)

Looking forward to seeing you!

Mrs. Kester
