## Ms. Reyes's Fish Pond

### Math

Wednesday – Acting out some, some more and some, some went away

Friday-2<sup>nd</sup> Math Assessment and sorting by one attribute.

Homework only on Wednesday. The students didn't have any on this last Friday as we got done early and finished it in class. Some were actually disappointed ☺

We start our 7 Continents unit this week.

### History

We start our 7 Continents unit on Wednesday. We will be reviewing what we learned in Maps and Globes and beginning to discuss the 7 continents by learning a song to help us remember them. We will be reading about North America as well.

### Science

We will be discussing the importance of water to our bodies and the sense of touch.

Please have students finish their MyPlate sheet if they haven't done so. They should be cutting out pictures of foods and gluing them onto the correct sections on the worksheet.

### Riggs/Writing

Group 1: Test on a, c, d, f, g, o, s and qu and working on b, e, h and i.

Group 2: Test on g, o, s, qu, b, e, h and I and working on j, k, l and m.

Group 3: Test on qu, b, e, h, i, j, k, l and m and working on n, p, r and t.

In writing we will be taking an assessment about nouns and working on ideas and using a word web.

## This Week's Assignments

Math – Wednesday only

Reading – reading books and 20 minutes each night

Science – MyPlate worksheet if not already done

History – please keep reviewing cardinal directions

## This Week's Highlights

### Wednesday

7 Continents and lots of review 😊

25<sup>th</sup>.**

## Thank You's!

Thank you to all families that shared their pets. The students' really enjoyed them!

Thank you to Mrs. Farreny for helping on Wednesday. We really appreciate your help!

Thank you to Mrs. Albrandt for bringing in some actual cotton that Tayen picked. We will be sharing this on Wednesday.
