NEW SCHOOL YEAR

The first week of the school year has been great. My students are working hard and already have HOMEWORK. We have a lot of material to cover this year, so homework might be a little more than last year.

CURRICULUM

After a book test, the 6th graders will be placed in the appropriate book for their ability level. The 6th graders have taken the book test and I am still evaluating results. I will place them in a book on Tuesday the 24th. If you have questions, please let me know.
