### TESTING

All classes will be doing Acuity testing this week. This will be done three times during the year. Testing will also be done in November and January. This will show your child's progress during the year. YPP (Yearly Progress Pro) will start this week. This is a test for the district that is done on a weekly basis. This will also show student progress. **IT IS VERY IMPORTANT THE STUDENTS TRY THEIR HARDEST ON THESE TESTS.** The 6<sup>th</sup> graders will do Acuity on Wednesday and YPP on Friday. The 7<sup>th</sup> graders will do Acuity on Thursday and will do YPP next Tuesday. The 8<sup>th</sup> graders will do Acuity and YPP during the week.

### GRADES

We are having trouble with the grade program working. I have assignments graded, but not on the computer. I am probably more frustrated than you, because I want these grades in the computer for you to see how your child is doing in my class. I am so sorry this is happening.
