#### CLASSWORK

I am very impressed with the knowledge that the students have retained from last year. We have been working hard and will have nine lessons completed by the end of this week. The 7<sup>th</sup> and 8<sup>th</sup> graders will take their first test of the year this Thursday. The 6<sup>th</sup> graders will take their first test the following week. A few reminders to parents and students include; showing work, pencil only and work in on time. All of these will affect a student's grade. Thanks for your cooperation with these items.
