GRADES

I am diligently working to put grades on the computer. The grade program started working on Monday. I plan to have progress reports for you on Thursday or Friday of this week. Please have them signed and returned for 10 points. Thanks for your cooperation.

FIELD TRIP

We had a wonderful field trip to see the King Tut exhibit on Tuesday. The exhibits were fascinating. It is hard to believe how these creations were made back then and actually preserved for so long. I learned a lot and I think the students will have some things to remember.
