PARENT/CONFERENCES

There are sign up sheets on the wall by Mrs. Diller's room. I will be here on Tuesday and Thursday for conferences. If that does not work for you, please let me know if another time will work. I can also call or e-mail you. Thanks for your cooperation.

GRADED WORK

If you have looked at any of your child's work, you will find comments, circled items, etc. Please take note of them. They indicate mostly careless mistakes. This can be from lack of concentration, hurrying too fast, not showing work, or not being able to read what they wrote. Being done first is not their goal. It should be neat, quality work. You can take more than one line to do a problem. Writing on the back of the paper also works.
