At this time, only  
mild burritos are  
offered.

- Burritos are \$3.00 each (they are no longer the small burritos, but a "regular size") and are now purchased from **Santiagos** in Ft. Lupton.
- If you want burritos for the full semester, the total is \$54.00. You may pick and choose as many or as few dates as you would like your child to have a burrito.
- Order forms are due the Friday before you want to receive your burrito(s).
