

Cardinal Community Academy
Accountability Meeting Notes
April 20, 2017
3:45 pm

In attendance: Brittany R., Amber, E., Tara S., April D., Tammy K., and Jody A.

Meeting started by skipping Item I, Minutes approval.

End of Year Survey was reviewed.

- Removed question asking about how PTO money ought to be spent. Replaced it with "What ideas do you have for PTO spending?"
- Removed "I intend to enroll my child at CCA through 8th grade."
- Added: For those of you who use the after school care program, are you satisfied with the program (activities, cost, and operating hours)? Please comment below.

Survey is to be sent out May 1 - 10, 2017.

Unified Improvement Plan (UIP) was reviewed.

- Setting targets in English Language Arts and Math will need to be set. Options: 1) add targets at the start of the year 2) add targets at May 18 meeting.
- Note: PARCC median growth section is blank purposefully because it does not apply.
- Observations: In PARCC Math, 77% of all students met expectations in both 2015 and 2016; 7th grade dropped below 50 percentile to 49 in Reading; 8th grade dropped below 50 percentile to 37 in Math. District and national spread gets larger in middle school and it is very tight in elementary.
- Dibbels: In Spring, EOY Dibbels will be added to UIP.

May 18th Meeting:

- Report out profits or losses with the after school program to CCA School Board
- Review EOY Survey results
