The mission of CCA is to serve student needs and achieve educational excellence. Students will have a positive learning environment that will give students the ability to become lifelong learners, while encouraging responsibility, citizenship, honesty, integrity and respect between students and teachers. Every student will have the opportunity to reach high academic goals within a broad, well-rounded curriculum. Community participation will aid in guiding students to reach their highest academic potential. We believe this statement can be well paraphrased as this: **C**haracter **C**ommunity **A**chievement – Soaring to Educational Excellence.
