

June 22, 2020

Dear CCA Families,

Even though it is summer, your CCA team has been hard at work planning for next year. We have lots to update you on, so grab a cup of coffee and read on!

Updates:

Congratulations to CCA's 2020 Charter School Commitment Scholarship winner! **Wesley Swieter** plans to attend the Colorado School of Mines. CCA is proud and excited to see what Wesley's future holds.

Each year, the state requires schools to share its planned goals for improvement. The Accountability Committee submitted the 2020-21 Unified Improvement Plan. Please take some time to review our goals of improving intermediate writing (grades 3-5), decreasing the number of students that are significantly below grade level in reading by grade 3, and improving our math work across all grade levels. Here is the [link](#) to that vital document.

Our Commitment to You Continues this Summer:

One way you could help us be more prepared for what looks to be an unusual school year, is to fill out this [CCA Reopening Survey](#) or fill out the survey you just received from RE3j. Both links are to the same survey. You will have the option to fill it out for CCA and any other RE3j schools you have students attending. Additionally, I will update on CCA Reopening plans in my report during our board meeting on Thursday. If you are interested in the very tentative plans for August, please virtually join our meeting, details below.

June Board of Directors Meeting:

This month's meeting will be **Thursday, June 25th** at 5:30pm. In order to follow health guidelines for groups, the meeting will be online for guests. *Please plan on attending virtually!* Prior to the meeting, review the agenda linked [here](#) or on the Board webpage.
