

August 17, 2020

Tomorrow is the big day! I hope all of your children are as excited as our teachers! Click [here](#) for a short video of important information to return to school.

Updates:

- Please read the [Student & Parent Handbook 2020 edition](#). There are some changes due to Covid-19 addressed. In addition, parents and students will need to sign the last page of the handbook and follow the directions to return it. Please return the signed signature page before August 18th.
- We will not have microwaves for students to heat up meals. This is to minimize touch points, allow more time for washing hands before and sanitizing after, and to prepare students for eating in their classrooms during inclement weather. So please, do not send food that needs to be reheated.
- Dress in layers. Like every Coloradoan knows, the weather changes quickly and we want to take students outside for classes and recesses as much as possible.
- This year, each student will use one specific Chromebook at school. If we have to go into Remote Learning, you will have the opportunity to take it home. Please read the Student Chromebook Checkout form in the CCA Parent/Student Handbook and sign your agreement on the signature page.
- If you have any questions regarding medical issues, Leann is happy to help. Please email her leannmeikle@re3j.com. She will be in tomorrow and Wednesday, 7-4.
- The attached is the [newest guiding document](#) for assessing if your child is too sick to attend school. Following these guidelines each morning, before you send your child to school, will help keep everyone much healthier this school year. Please let me or Leann know if you have questions about assessing your child's health each morning.

Driveline: To minimize adults in the building, we are asking that everyone do their best to utilize the Driveline. If you are a new kindergarten parent, you will get your driveline tag the first day of school. For Driveline questions, email jenniferrichter@re3j.com.

After School Care:

Ms. Ashton and Ms. Sarah are ready for your students starting tomorrow. Please read the guidelines attached. The biggest change is your student must bring a mask and to ensure time for cleaning each night, please arrive by 6pm.

Kindergarten Graduation & First Day of 1st Grade:

If you are attending the Kindergarten graduation, please bring a chair, a mask and a camera for this fun event. Tomorrow morning, you may walk to the basketball court to set up your socially distanced space starting at 7:20am. Be patient; it is much appreciated.

Summer Drama Event:

A special Thank You to Sarah Johnson for continuing her work on the production of Shrek! The students performed the first ever socially-distanced play at CCA and it was fantastic. The pictures above are from the production. Great Job Ms. Johnson and families!

I am looking forward to seeing you tomorrow between 7:20-7:30 for drop-off.

Sincerely,
Maureen Lockette
