

March 22, 2021

Dear CCA families,

We are looking forward to our Middle School and Intermediate Cohorts returning to in-person learning this Tuesday! Our Primary remains on remote learning this week.

Cardinal Key: *This month's Key is Flexibility. Flexibility is about not getting locked into one way of doing something. If we're trying to achieve something (like getting up on time in the morning) and it's just not working, we try another way (like moving the alarm clock to the other side of the room so we have to get up to shut it off). Flexibility is about recognizing all kinds of habits or patterns or activities in our life that aren't working and changing them, and even changing them again until we find the one that works!*

Cardinal After-School Care is cancelled this week. It will return the week after spring break.

Burritos and Pizza Next Week!

- Santiago burrito lunches are on Thursdays. Here is the [printable Burrito order form](#).
- Ben's Pizza will be bringing a delicious pizza option to CCA starting Wednesday, March 24th. Here is the [printable Ben's Pizza form](#).
- ***Please turn in orders by this Friday for April 7th and 8th lunches. This includes lunches ordered with credits.***
- All orders for students that are remote learning will be credited to the student's lunch account. Crystal will be in touch with families to explain the student credit situation.

Class photos will be rescheduled:

We will let you know the new date is as soon as possible.

Thank You's:

A big thank you to the Pralle and Simpson families for removing the snow in the parking lot; we are grateful for you and for all the moisture. A very special Thank You to Sarah, Elijah and Alex for your kind gesture towards staff. It brought lots of smiles!

How Sick is Too Sick Guidance for Keeping Your Student Home:

Families should watch signs of illness and follow this simple checklist to determine if your child should stay home:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache

- New loss of taste or smell
- Sore throat
- Unusual congestion or runny nose
- Nausea or vomiting
- Diarrhea
- Contact with a confirmed case of Covid-19

*This list is not all-inclusive. Please consult your medical provider for any other symptoms that are severe or concerning.

If your child starts to experience any of those symptoms, please keep them home. Please take a few moments to review [this information](#) regarding our guidelines for in-person learning.

Upcoming Events

- March 23: Intermediate and Middle School cohorts return to In-person learning
- March 24: CCA Board of Directors meeting @ 5:30pm. Agenda and link on the CCA Board of Directors web page.
- Spring Break: March 27-April 5
- Accountability Committee: April 15 3:50pm

Sincerely,

Maureen Lockette
