

October 4, 2021

Dear CCA families,

Please continue to monitor the Covid guidelines in this newsletter. There have not been changes this week, but I will continue to update you when changes occur.

**CARDINAL KEY: OWNERSHIP – Take responsibility for actions**

Be responsible for your thoughts, feelings, words, and actions. “Own” the choices you make and the results that follow. Ownership is our willingness to take responsibility for the choices we make. When we take responsibility for our choices, others know they can count on us and we earn their respect.

**PARENT TEACHER CONFERENCES** are next week! October 12th, 13th, and 14th from 4pm-7om. K-5 parents watch for an invite from your classroom teacher. Middle school is hosting open conferences in the gym all three evenings and your student should attend with you. There is no school on Friday, October 15th; enjoy a long weekend.

**PTO Update:**

Our amazing PTO is planning a Cajun Boil for Saturday, November 6th. Put the date on your calendar and watch for more information to come! We are excited to have the opportunity to start raising funds to help our teachers and students. This year, funds will go to teacher grants to help purchase supplies for the classrooms, field trips when possible and more! Our PTO will be hosting a scavenger hunt for students the week of the Halloween parties as well. PTO would also like to put out an All-Call for anyone interested to attend the next meeting this Friday, October 8th at 5:30 in the library.

**Pumpkin Sales!**

CCA's 8th graders will be selling pumpkins before and after school on October 12th, 13th, 14th, 19th, 20th, 21st, and 22nd. You can find us on the south side of the parking lot. Swing on by to get your fall pumpkins!

**Halloween Parties:**

Grades Kindergarten through 5th grade will have parties starting at 2:45 pm. We will enjoy cohorted parades for K-2 and for 3-5 outside on the basketball court. Families are encouraged to attend and to bring their own chairs if they would like to sit for the activities. Also, Ms. Richter asked that students try to make their costume a Book Character. The costume parade categories are Best Book Character, Most Creative and Spookiest. Each category will have a first, second and third place winner. Students may wear their dress-code appropriate costumes all day.

Middle School Liaisons and Teachers are planning something special for Halloween in the Middle School. Please watch for more information to follow but students may wear costumes if they would like. Please help your child find a costume appropriate for school and it must follow the dress code.

### **Hot Lunch Fundraiser:**

Ben's Pizza and Santiago's Burritos are available again this year. Your middle school classes use the funds from the lunches to go on amazing trips each year. Wednesday is [Ben's Pizza](#) day; Thursday is [Santiago's Burritos](#). Use the order forms linked to place your child's order. Orders must be in by Friday for the upcoming week.

### **Covid Guidance for 2021-2022**

Ultimately, we all want students to be able to attend school in-person. To do so, we must all work together to ensure a healthy school year. CCAI will follow the guidance set out by the CDPHE, CDE, & RE3j.

- We will do our best to minimize any disruptions to the learning environment; therefore, in the case of a positive Covid diagnosis, the afflicted student/staff will be asked to stay home until they can safely return. All students/staff considered close contacts will be notified, asked to watch for symptoms, and may remain in school unless they become symptomatic. We should see fewer remote learning times this year as long as we can [stay home when not feeling well](#). Please continue to be conscientious when sending your child to school.
- All schools received new guidance 9/10/21 for [quarantining](#) due to the increase in positive cases of Covid in elementary aged students in the state of Colorado.
- We should not have to move to a large-scale remote learning situation unless our numbers of students or staff infected is five or more cases of COVID-19, of which at least one case has had a positive molecular amplification test or antigen test, among students/teachers/staff from separate households with onset within 14 days in a single classroom/activity or other close contact in the school setting (including transportation to/from- school and affiliated events). \*[CDPHE June 2021](#)
- As we did last year, we will be in contact with families regarding possible exposure and/or any closures due to Covid-19.
- We will continue to cohort students and limit the amount of time students are out of their cohort. Students leaving their cohort during an unscheduled time will be asked to wear a mask, just like last year. Anticipate very little mask wearing but students should be prepared. Please send a clean mask with your student(s) each day.
- Adults in the building will stay with a specific cohort unless it is not possible, for example Interventionists.
- Students will have their own supplies; classroom supplies will be minimized and in cases, such as Art, PE, Music, or STEM, those items will be cleaned between classes.

- Students will not have access to microwaves, drinking fountains (the bottle fillers will be available) or other high touch-point surfaces, just like last year to minimize the opportunity for viruses to pass from hand to eyes or mouth.
- We will clean continuously throughout the day and eat/play outside as much as possible for the health of our students.

I know these guidelines are not what we all would love to have but I truly appreciate everyone keeping a positive outlook as we follow these few guidelines that will allow us to remain in-person. Please watch for more information from RE3j in the near future and I will continue to update you with any changes to this plan.
