Dear CCA families,

“Fall has always been my favorite season. The time when everything bursts with its last beauty, as if nature had been saving up all year for the grand finale.”- Lauren DeStefano.

CARDINAL KEY: SPEAK WITH GOOD PURPOSE – Speak honestly and kindly

Think before you speak. Make sure your intention is positive and your words are sincere. There will be times when we need to share critical thoughts. At these times, if our purpose and how we phrase our words is considered first, sharing honest and direct feedback can be very positive and powerful, and build trust.
