

April 4, 2022

Dear CCA families,

The 2022 Cardinal Scholarship Applications are due this Friday, April 8th. Find the link [here](#) and on our CCA main page and please encourage former students to apply!

**CARDINAL KEY:** *April's Cardinal Key is **BALANCE** – When we're in balance we make time for the things that are important to us. Staying in balance is an ongoing process about choices. We're constantly making choices about what we do, what we say, how we feel, what we think, etc.*

### **K-2 Spring Concerts:**

Our K-2 students will perform at 3pm this Friday, April 8 at CCA. Feel free to bring your lawn chairs as seating might be limited.

### **Yearbook update:**

Help make your yearbook memorable!

Although I am putting the yearbook together; I need parent help. Please make sure to send me those pictures of your kids! Some ideas of what to send are sports pictures (one/kid/sport), first day of school, a special moment you caught during a program, party, or special event day. All of these help me to make the yearbook the best it can be!

8th grade parents, don't forget to send me your ad details for your student as well! A special memento from you. This should include 1-3 pictures (hard or digital) of your choice, a special message from you, a bible verse if you choose. If you have any questions, please email [cassierosling@re3j.com](mailto:cassierosling@re3j.com) and I will help you. All ad details are due by **April 30th**.

### **Lunch Forms!**

The lunch forms for the remainder of this school year are linked here and can be found on the website. Wednesdays are [Ben's Pizza](#) and Thursdays are [Santiago's Burritos](#). Orders are due the previous Friday to ensure delivery.

### **STUDENT EVENTS:**

#### **CMAS:**

The spring state mandated testing will begin this week. Please ensure your child eats a good breakfast and arrives at school on time. All classes will start testing first thing in the morning. More information is found in the email sent last week and from your classroom teacher.

#### **Nurse's Update:**

Norovirus and the flu have been making the rounds. Please encourage your child to wash their hands frequently with soap and warm water. Also, make sure your child is getting a good night's sleep and plenty of fluids.
