Dear CCA families,

**CARDINAL KEY:** *May does not have a specific Cardinal Key, so this month, please review and rediscover the Cardinal Keys with your children: Integrity, Failure leads to success, Speak with good purpose, This is it!, Commitment, Ownership, Flexibility, and Balance.*

**End of Year Events:**

The last weeks of school will be filled with fun events. Please watch for an email explaining how we will wrap up this wonderful year. Last year, we wrapped up our morning around 11 am so lunch will not be served.

**Yearbook Update from Ms. Rosling**

Hello families of CCA! The yearbooks will not be handed out until the fall so that I could put all of our fun end-of-year activities into the book as well! So, with that in mind, keep sending me all those amazing end-of-year activity pictures! Thank you to everyone that has ordered!

**STUDENT EVENTS:**

**Pampered Chef fundraiser**

Next year's 8th grade class is working hard to raise funds to go on their 8th grade trip already!

Below is a link to include in the newsletter for a fundraiser through Pampered Chef. This will be for next year's 8th grade class. The class will get 20% of all sales when we reach \$200 and 30% of all sales when we reach \$650. The fundraiser will be open through the end of the month. Parents please share the link on their social media pages. Questions regarding this fundraiser? Email [staceydinges@re3j.com](mailto:staceydinges@re3j.com)

**Library End of Year:**

Please send in library and bookmobile books this week. For any books not returned, families will receive an invoice with replacement fees.

**American Cancer Society Fundraiser/ Relay for Life:**

Our Relay for Life committee has some fun planned to raise money for the American Cancer Society. The week of May 17-20, there will be dress up days for a small donation each day. Then the Mini-Relay will be at 1:30 on May 25th. If you would like to help, we

could use the assistance. Just send [Crystal Bydalek](#) an email letting us know how you can help. Thank you so much!

### **Nurse's Update:**

Cardinal Community Academy Families,

As we approach the end of the 2021-2022 School Year, it has been my pleasure to take care of and get to know each and every one of your children. I have thoroughly enjoyed being their school nurse and look forward to the year ahead to continue to build relationships with you, your children and the CCA community.

During the final week of school I will be closing out medications and handing them back to you personally. If you know your child has medications that are at the school please stop by in the office either at drop off or pick up to ensure all the medications are given back to you. I **cannot** send any medications home with the students – they must be signed out by a parent. Any medications I still have on hand at the school that are not picked up a week after school ending will be discarded.

If your child currently takes medications at school or has a medication permission form on file at the school I will have a packet prepared for them for the 2022-2023 School Year. In taking this proactive approach, my goal is that if your child sees their pediatrician or healthcare provider during the summer months they can have these forms filled out in person at those visits. Please keep in mind that these forms are only **good for the school calendar year (August 1, 2022 - May 31, 2023)**. You need to ensure that the form is filled out appropriately with those dates. As always, there must be **one** medication permission form for every medication the student takes.

Should you have any questions, please reach out to me at (303) 732-9312 or by email [brooknighswonger@re3j.com](mailto:brooknighswonger@re3j.com).

### **PTO Update:**

Thank you to everyone who helped with Staff Appreciation Week! Our fantastic CCA staff was shown just how much we care and appreciate all they do for our children.

Our Primary and Intermediate Skate trips were so much fun! We are looking forward to the Middle School enjoying their trip on May 24th.
