Dear CCA families,

Congratulations on a superb ending to the year! Awards, Talent Show and Field Day were so fun. Thank you to Mrs. Bydalek, Cody Bydalek and Blaine Bydalek for their work on the talent show. Thank you to Coach Baker for the fun field day events. And a very special thank you to the SEWCF department and firefighters for end of day spray! What a wet blast!

If you have not registered for next year, please do that immediately. For returning students, please log into your Infinite Campus Parent Portal to complete. For students who are new to the Re3J district, please use this [link](#) that is also provided on the district website under Parents and Students.

Yearbook Update:

Now that the year is over, I will be finishing up the yearbook and getting it sent off to the printers! I would love for you to help me by sending me any pictures you may have from the last 2 weeks of school. This includes pictures from the following:

- Mini-Relay for Life dress up days as well as the Mini-Relay itself
- 8th Grade Graduation (I also took some, but you may have had a better shot)
- Last day of school events
- 6th grade Outdoor Ed
- Any sports Pictures

All pictures need to be sent to me no later than June 4th!

Thank you so much for all your help. I am looking forward to getting our yearbooks in the fall; and will be sending out a survey after you have had a chance to look through the books to decide how to proceed with our yearbooks next year! ~ Cassie Rosling cassierosling@re3j.com

Report Cards:

This year, our Report Cards will be issued electronically. Please log in to Infinite Campus to view report cards.

Summer Enrichment:

- CCA does not offer a 'summer school', but we are proud to offer the online reading and math programs for each student. Students grades K-2 may access the Reading Eggs and Math Seeds programs for summer enrichment. Students grades 3-8 may access Moby Max to help diminish the 'summer slide'. Talk to your classroom teacher for more information about this convenient and free summer offering for students.

- Hudson Public Library will have a Summer Reading Program for students. The librarians will be at CCA on Thursday morning to explain their summer reading. You can also check the [Hudson Public Library Web](#) page for more information.

Relay for Life Update

We are proud to announce that CCA raised \$1,262.74 for the American Cancer Society! Plus, Mrs. Lockette had to take a pie to her face. Thank you all!

Accountability Survey Results:

We had a very good turnout for the end of year survey. Thank you to the 35 families who responded. The Accountability Committee went through the surveys and looked for trends. Here is what we identified as areas of strength: Communication, Office Staff, PTO, Afterschool Care. Areas of Growth: Clubs, Extracurricular activities, lunch options and more parent volunteer opportunities. We will continue to work on those suggestions.

Parent Volunteer Opportunities:

Thank you parents for asking for more volunteer and parent involvement! We would love to have representation in the 100th year celebration of the Southeast Weld County Fair Parade. We need parents to head up a committee to plan CCA's representation in the parade. It does not have to be a float, students can walk, please contact katiehopkins@re3j.com.
