About your Teacher...

I am so ready to learn alongside my 1st grade students this year!

I appreciate everyone's patience as I enter my first year of teaching, and I am so excited to meet and get to know each student! I am committed to making sure that relationships are a top priority in this classroom, as well as making sure that each students' needs are met academically.

More about me: I love spending time with family and friends, going on walks, Jesus, and listening to 80s and 90s country music.

Supplies for the year...

Students will be given a job each week and will be paid classroom money for their job. They can also earn bonuses for good effort and good behavior. They will have to pay fines if not meeting expectations after being warned. Each Friday, we will have Friday Fun, and students can pay to do a "fun" activity!

Birthdays 🎂

We will celebrate each student's birthday throughout the school-year.

If the student's birthday does not fall in the school-year, we will celebrate half-birthdays. We have two options for birthdays... First, parents may bring a treat to class at the beginning of the school day, and students can then have the option of when to eat the treat throughout the day. However, parents will not be present for this option. Or, if parents would like to be present, they may bring the treat to class at 3:05-3:20 p.m. to celebrate with their child.

For any food allergies or questions, please contact me on ParentSquare or by email.

I am so excited for an amazing
year!

Let's go 1st Grade!
