3:45pm
STEM Lab

Attendance: Brittany Ruppel, Hope Buchholz, Heather Cook, Krystin Ruppel, Brook Nighswonger, Steven Bell, Christina Workman, Emilee Klausner

I. Mid-Year Survey Review

- Looked at trends:
 - Safe learning environment concern (no reason to why)
 - **Survey needs more places where parents can leave comments for next time.**
 - Microwaves and lunch/snacks provided (what can government funds be allocated towards here?)
 - **Microwaves should be on the next agenda**
 - ParentSquare: what you are covering in class and expected deadlines
 - Update CCA Website for Specials
 - Monthly Specials Newsletters
 - More computer and typing skills taught
 - Middle school concerns
 - **Page 42**
 - ParentSquare: hard to find specific notifications or posts and sort through all that comes through
- **Middle School Sports:**
 - Are we honoring eligibility at middle school?

The mission of CCA is to serve students' needs to achieve educational excellence by providing a well-rounded curriculum while encouraging a love of learning in a safe and positive environment. We believe this statement can be well paraphrased as this:
Character, Community, Achievement - Soaring to Educational Excellence
